Item Page: https://osullivanantiques.com/item/10884-early-20th-century-english-crystal-chandelier/

Item Description

Exceptionally large, early 20th Century English crystal chandelier. The central baluster stem having bowl hung with long swags of faceted drops to catch the light. The middle cut glass bowl has eighteen curved candle arms with large glass drops, terminating in a chained ball finial. It originally hung in the grand dining room of an 18th Century estate house outside Bath, England. It has been wired for electricity.
