Item Description

This set of four aquatint prints, dated 1816 and 1817, are after drawings by Thomas Sautelle Roberts. Engraved by R. Havell & Sons and published by Del Vecchio on Westmoreland Street, these prints depict various landmarks in Dublin. T.S. Roberts was an architect by trade before becoming an accomplished fine artist, which is reflected in the accurate renderings of these notable Dublin buildings. Ireland, 1816 and 1817.
